

SCHOLARSHIP APPLICATION

2010

The IPA strongly urges the directors of all participating schools to encourage their senior members to apply for the IPA Inc. scholarships. Over the years, thousands of dollars have been awarded to deserving percussion students from all over the state of Indiana. Each **member school or independent ensemble** may submit a maximum of three (3) applications from high school seniors. As many as FIVE finalists may be chosen to receive awards. In addition, IPA has partnered with the Pearl Corporation to offer a \$1,500 scholarship to a student that will be attending college for a music degree. The school or independent ensemble that the Pearl Scholarship winner is a member of will also receive a Pearl Vision Series drum set as an award for fostering that student.
